

'Dünkirchen, 1940': The German View of Dunkirk

with Col. Robert Kershaw
Wednesday 28th September 2022 (7.30-9.30pm)

Col. Robert Kershaw reveals it was an inherent German misunderstanding of the significance of the battle and their numerous strategic and tactical miscalculations that turned the tide of the war.

During his service, Col. Robert Kershaw attended the German Staff College (Führungsakademie), spending a further two years with the Bundeswehr as an infantry, airborne and arctic warfare instructor. Since leaving the British Army in 2006, he is a full-time military historian and author as well as a consultant military analyst and battlefield tour guide.
